MBO CLEARY ADVISORS INC. FOR 2009 BEST OF BUSINESS AWARD**

The Small Business Commerce Association (SBCA) is pleased to announce that MBO Cleary Advisors Inc. has been selected for the 2009 Best of Business Award in the **Investment Advice** category. The SBCA recognizes the best of small businesses throughout the country. Nominees are typically local businesses that enhance the positive image of small business through service to their customers and community. These are businesses that are delighting their customers and providing exceptional goods and/or services.

Each year, the SBCA identifies businesses that have achieved exceptional success in their local community. Award winners are chosen from nominees by a selection committee based off information from monthly surveys administered by the SBCA, and review of over 100,000 consumer rankings and other consumer reports. Using federal, state, city & county government data and other research the SBCA selection committee chooses the award winners that are believed to have demonstrated what makes small businesses a vital part of the American economy.
